## **I. JESUS' MISSION WAS TO IDENTIFY WITH HUMANITY**

## **II. JESUS' MISSION WAS TO RESCUE THAT WHICH WAS LOST**

A. What was lost? We must refer back to Genesis.

- 1) The creation (*Gen. 1:1; 2:21-25*)
- 2) The command (*Gen. 2:15-17*)
- 3) The collapse/fall (*Gen. 3:16*)
- 4) The consequences (*Gen. 3:7-24*)
  - a) Man lost his righteousness (right standing) with God (*Gen. 3:8-13; 1 Cor. 15:22*)
  - b) Man was separated from God (*Gen. 3:7-10; Eph. 2:1-3*)
  - c) Man experienced death (*Rom. 5:12*)
  - d) Earth's environment was cursed due to man's sin (*Rom. 8:19-22*)
  - e) What was lost? The souls of men and a perfect creation

B. How would one man, Jesus, rescue what was lost?

- 1) The Son of man came for the lost
- 2) The Son of man seeks the lost (*John 16:8*)
- 3) The Son of man saves the lost.
